

OPERATOR WOOD/ PLASTICS MILL

BELL BAY

Full-Time

DUTIES & SKILLS

We're looking for 2 WPC machine operators with a mechanical background and also a manufacturing and extrusion background. If this sounds like you, we would like to talk to you.

The successful applicant will work a rotating shift of 2 weeks days, 2 weeks nights and 2 weeks afternoons, of 8 hours each, Monday to Friday. You will be reliable with a current drivers licence and forklift licence with some experience.

Candidates must be fit and healthy to pass a medical and not have a pacemaker.
